

Koble Yamaha og Garmin/Raymarine/Simrad/Buster Q

NMEA 2000 HUB, Yamaha, Multihub. NmeaKit1

Må brukes for å få tankinformasjonen til plotter..

Strøm til garmin hub hentes fra Yamaha sin tenningslås. Samme sted som yamaha hub. (dette må til for at plotteren skal skjønne at det er koblet til noe på NMEA2000 inn/utgangen) Kan også kobles etter hovedbryter så den er på når hovedstrøm er på.

Hvis ikke plotteren har en eksisterende NMEA2000 hub må dette kobles til. Varenr: «NmeaKit1»

Det trengs da:

010-11442-00 NMEA 2000®-oppstartspakke
inkluderer en NMEA 2000-droppkabel (2 m), NMEA 2000-basisnettverkskabel (10 m), NMEA 2000-strømkabel (2 m), to NMEA 2000 T-kontakter, NMEA 2000-hannterminator og NMEA 2000-hunnterminator.

010-11078-00 En ekstra NMEA 2000® T-kontakt

6YG-8A2D0-00-00 NMEA2000 hub fra Yamaha

Det trengs også en PIGTAIL HARNESS 1)

Hvis det ikke er ledige pluggere i Yamaha-hub trengs det også en minihub og kabel(grå 6pin):

6Y8-81920-11-00 minihub(inline hub)

6Y8-82553-01-00 6-pin 0,3m kabel

To NEMA

Hun

Parts order list for basic installation:

Quantity	Description	Part Number
1	Command Link® / Command Link® Plus Gateway	6Y9-8A2D0-20-00
1	Pigtail Harness	See List ¹

¹ Pigtail Harnesses

1 ft.	6Y8-82521-01-00
2 ft.	6Y8-82521-11-00
3 ft.	6Y8-82521-21-00
6 ft.	6Y8-82521-31-00
9 ft.	6Y8-82521-41-00
12 ft.	6Y8-82521-51-00

Adding a Multi-Hub

Legge til ekstra 3-HUB

If there are no unused "Device Ports" on the Multi-Hubs already installed, before adding additional accessories or gauges to the network another Multihub must be added.

Parts order list for basic installation:

Quantity	Description	Part Number
1	Multi-Hub	6Y8-81920-01-00
1	Main Bus Harness	See List ¹

¹ Main Buss Harnesses

1 ft.	6Y8-82553-01-00
10 ft.	6Y8-82553-50-00
15 ft.	6Y8-82553-11-00
20 ft.	6Y8-82553-21-00
25 ft.	6Y8-82553-31-00
30 ft.	6Y8-82553-41-00

Adding a Single Hub

Legge til ekstra 1-HUB (mini-hub)

Parts order list for basic installation:

Quantity	Description	Part Number
1	Command Link Plus® Multisensor Kit	MAR-3DCER-KT-00
1	Main Bus Harness	See List ¹

Buster Q system

Basic installation includes Q Display, power supply and NMEA connections.
